

Let's Bowl @ Austral Bowlo

events@australbowlingclub.com.au

Bowls is social and fun and accommodates all sporting abilities. It's a fun day for birthdays, Christmas parties, hen's or buck's parties, corporate events or simply a get together with some friends.

Never played Barefoot Bowls before?

Barefoot Bowls is an easy game played in a social and relaxed atmosphere suitable for almost anyone. The object of Barefoot Bowls is simply to get your bowl as close to the jack as possible. The trick is the bowl is weighted, so it doesn't go in straight line. After a few bowls even a novice can start to get the bowl where they want it, but just in case we will have someone available to explain to you and your guests how to bowl and the tricks of the trade.

To hold a Barefoot Bowls Party at Austral Bowling Club, you must book and pay a deposit/full payment for a defined number of players at least seven (7) days prior to your requested day.

Information Sheet

We hope that you enjoy your bowls party at Austral Bowling Club!

For your enjoyment and to maintain the Bowling Greens in top condition for the Bowling Members there are a few rules we would like you to follow.

1. **No drinks on green.** Spilled drinks will kill the grass, so enjoy them on the paths. If you do happen to break a glass or bottle, please make sure to pick up the broken glass and dispose of this responsibly. Small bins are available around the greens and please notify staff.
2. **Keep sand off the green.** The sand in the ditches is to cushion the bowls, so please leave it there. Lift bowls out of the ditch while standing on the green rather than standing in the ditch.
3. **Don't drop the bowls.** The bowls are quite heavy, so take care not to drop them on the green as this puts depressions in the green detracting from the smooth playing surface the bowling members require. Also take care not to drop them on the paths as this will damage the bowls.
4. **No driving.** We know it is an irresistible temptation to wind up from a long run up and smash those bowls at the other end, but we insist you exercise control. Those heavy bowls we mentioned can fly sideways on impact and do substantial damage to unwary ankles on neighbouring rinks.
5. **Respect the greens.** A lot of time and effort goes into the preparation and maintenance of our championship greens. While we want you to enjoy the game, please take care to minimise your impact on the green.
6. **Age limit.** Children and barefoot bowls do not mix. Children are not permitted on or around the greens at any time. (18yrs & over)

7. **Dress Rules.** On the green casual clothes and bare feet are acceptable. Upon entering the Club all hats must be removed and shoes must be worn for your own protection. Club dress rules (displayed in the foyer) must be observed at all times. No singlets to be worn by males in the Club or on the greens at any time. Club Management will make the final decision with dress regulations, and their decision will be final.
8. **Footwear.** You may choose to wear socks, rubber thongs or play barefoot. But a reminder that footwear must be worn inside the Club.
9. **Rain.** If it is raining the morning of your bowls party please call the Club to confirm if your event will be going ahead. If cancelled, you have the option to postpone or be refunded the bowls only portion of your bowls package. You are also welcome to enjoy the Club's facilities and the catered part of your package as planned.
10. **Sign In Register/Membership.** Please ensure you bring along appropriate identification – preferably a valid driver's license. Club Membership is also available – by law if you reside within 5KM of Austral Bowling Club you are required to be a Member or be signed in by a Member. Membership is \$5.
11. **Responsible Service of Alcohol.** The Club supports and promotes the Responsible Service of Alcohol.
12. **On the Day.** Please arrive 15minutes before your designated event time and make yourself known to bar staff. Our barefoot Bowls Coordinator will take it from there!
13. **Deposit/Payment.** A \$100 deposit is required when making the booking. Full payment of food and bowls is required no later than seven (7) days prior to your scheduled booking.

A warning will be given for infringements of these rules.
Further infringements may result in termination of bowls for the infringing rink or cancellation of the whole party, at the discretion of the barefoot bowls coordinator

Thank you for your cooperation!
